

★★★ Difficulty level ★ easy ★★ moderate ★★★ challenging Fun with furniture with Mark Rayner – 61

### You will need:

- Clean cloth
- Paint stirrer
- Paintbrush
- Painted wooden chair
- Resene Lustacryl tinted to Resene St Kilda
- Resene Quick Dry
- Sandpaper

**Step 1**  
Carefully remove the upholstered seat and back.

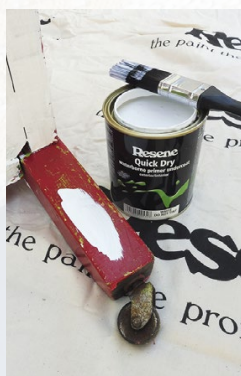

**Step 2**  
Lightly sand the chair to 'key' the surface.

**Step 3**  
Wipe off any sanding residue with a clean cloth.

**Step 4**  
Carefully stir the Resene Quick Dry.

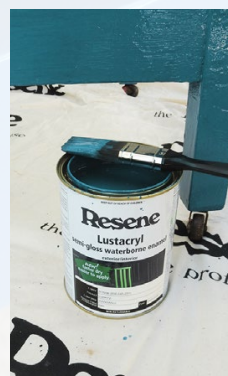

**Step 5**  
Spot prime any areas of bare wood with Resene Quick Dry and allow to dry.

**Step 6**  
Carefully stir the Resene Lustacryl tinted to Resene St Kilda.

**Step 7**  
Apply one coat of Resene Lustacryl tinted to Resene St Kilda to the chair and allow to dry.

**Step 8**  
Apply a second coat of Resene Lustacryl tinted to Resene St Kilda to the chair and allow to dry. Replace the upholstered seat and back.

Give an old painted wooden chair a new lease of life with a little bit of help from Resene.

**To get the look:**  
Mark painted the background wall with Resene SpaceCote Flat tinted to Resene Egg Sour and Resene Chardonnay.

**Other ideas:**  
For a rich deep red effect paint the chair with Resene Lustacryl tinted to Resene Pohutukawa.
