

Specified by architects, "RESENE" has been increasingly used—over the last fifteen years—on major construction works. Its popularity is still growing every day.

**EVERY ONE'S
AN EXPERT**

when you paint with

“RESENE”

RESENE requires no sealers or under coat, thins with water, covers like magic, spreads further. Gives a tough washable, lasting finish in a magnificent range of FLAT or SEMI-GLOSS colours for interior or exterior use

THE EASIEST, MOST INEXPENSIVE AND CLEANEST PAINT TO USE
