Create a whitewashed style effect on interior timber walls and floors quickly and easily with Resene Colorwood Whitewash. Or opt for a greywashed effect with Resene Colorwood Greywash.

Environmental Choice approved, **Resene Colorwood Whitewash** is low odour and low in VOC compared to solventborne interior stains and polyurethanes. It's easy to apply and suitable for use by professional decorators or home decorators.

Use it for everything from a minimalist Scandanavian effect on flooring through to refurbishing old interior clear finished timber.

Resene Colorwood is also available in a range of other colours from traditional timber colours to brights. You can also get it tinted to your favourite Resene Exterior Woodcare colour so that you can have a consistent colour palette inside and outside your project.

See Data Sheet D50W for more information on **Resene Colorwood Whitewash** and **Resene Colorwood Greywash**, and Data Sheet D50a for more information on **Resene Colorwood**. The Resene Colorwood range is available only from Resene.
