In New Zealand:

PO Box 38242, Wellington Mail Centre,

Lower Hutt 5045

Phone (04) 577 0500, www.resene.co.nz

Resene
FX Fluoro

For the optimum fluoro effect apply over a white basecoat, such as Resene Lumbersider. Always apply two good coats of Resene FX Fluoro for the best result.

The fluoro effect will fade faster if used outside. Use Resene Clearcoat UVS to help protect the finish. If used with blacklight do not clear coat as this will reduce the fluoro effect.

Clean up brushes, spills etc with clean water.
