THE MARSEILLE DINING CHAIR FROM FROBISHER, WITH ITS JUXTAPOSED SOFT FABRIC AND BRUSHED BRASS FRAME, STRIKES A SLEEK POSE AGAINST A NEUTRAL BACKDROP OF RESENE TIC TAC TOE WITH HALF ARCH DESIGN IN RESENE GREEN DAYS.

The muddy olive green of Resene Tic Tac Toe brings quiet, neutral colour to this space with a radiant playful design in the golden green of Resene Green Days to mirror the curves and lines of the Marseille Dining Chair. An abstract pattern in the Tribe Home Moss Rug brings a colourful cohesion echoing the luxuriant warm texture of the chair.

CHIC SEAT The epitome of contemporary chic, the Marseille Dining Chair combines soft, metallic grey-green fabric set in a durable brushed brass frame. It's designed for comfort with striking good looks.

ELEGANT SIDE This elegant tray end table, finished in a unique combination of ivory-coloured faux shagreen and a satin brass-finished iron base, is a striking companion piece for the Marseille Dining Chair.

SLENDER SILHOUETTE The Faux French Ivory Decanter, with its tall, slender silhouette and curved base, brings a transparent form of the line and curve shape mirrored by the chair and half arch design.

GROUNDING ABSTRACT The colourful serenity of the Moss rug blends shades of khaki, mauve, and rust. Finely hand-knotted from a blend of wool and bamboo silk. This luxurious rug reflects the colour palette of the wall and furniture.

THE ITALIAN ABK SENSI SIGNORIA LABRADORITE TILE FROM BRYMAC TILES CAPTURES THE LIGHT FROM RESENE SUNBEAM. IT DRAWS FROM THE DEEP SHADE OF RESENE LAKESIDE FOR A LUXURIOUS REGAL CONTRAST OF WARM GOLD AND COOL BLUE.

Printed marble tiles like the intricately veined ABK Sensi Signoria Labradorite tile create a colourful, luxurious experience for the eye. This beautiful glossy porcelain print cleverly combines a selection of polychromatic marbles, defined by a sophisticated colour palette as well as neat, decorative patterns. Paired here with blue and gold tiles, many colours will match the earthy beauty of the Sensi Signoria Labradorite tile.

Vivid retro

THE SWEET AND SOUR YELLOW OF RESENE FUNK TEAMED WITH THE BRIGHT KHAKI GREEN OF RESENE TARZAN MIRROR THE BOLD 70S STYLE OF THE ORLA KIELY CLIMBING DAISY PRINT AND CUSHION FROM BOLT OF CLOTH.

Bring energy and warmth to your living space with the dynamic duo of Resene Funk and Resene Tarzan. The daring retro flare of these colours is a perfect match for the Orla Kiely Climbing Daisy print in tones of yellow and olive green. Layered golden brown sheepskins bring a soft textural comfort, while the cushions and throw create a cohesive contradiction with an energetic impact.
