

FEEL THE HEAT

It's cooling down outside, but there's no time like now to heat things up with a pop of fiery red. Resene Poppy and Resene Flash

Point will create a point of difference in any living space. Balance a vibrant approach to colour by teaming up with moody greys like Resene High Tea and Resene Half Shark, or add a hint of blue—try Resene Black Rock or Resene Bahama Blue to create a real statement.

SHADES OF THE SEASON

Your wardrobe isn't the only place you can embrace an on-trend colour palette this winter. Let your love of colour thrive in your home with the help of Resene.

RESENE MERLOT

RESENE PERU TAN

RESENE PUTTY

RESENE HUKANUI

RESENE RICE CAKE

RESENE SAND

NATURAL TOUCH

No colour palette stands the test of time quite like understated soft neutral shades. Create a statement this season by pairing timeless colours such as Resene Wax Flower and Resene Sand with rich caramels and chocolates. Our top picks are Resene Hukanui and Resene Peru Tan.

Visit your Resene ColorShop for more inspiration.

Colours are depicted as accurately as the printing process allows. Always trial your favourites using Resene testpots before making your final choice.
