PURPLE GRAIN

"I wanted my door to feel a bit magical, so I chose Resene Belladonna as the colour," says this month's winning homeowner, Aucklander Tanya Smith, who plans to paint her home's exterior in a complementary Resene Quarter Bokara Grey. It was love at first sight when Tanya moved in two years ago. "This is our forever home," she says. "As we live in Beach Haven, I had a plaque made for the door that says 'The Haven'."
