Helen Sheppard wanted guests visiting her powder room to feel as though they'd stepped into another world. And her choice of swirly-patterned wallpaper paired with a dark blue ceiling does just that. The dramatic room, painted with Resene Tangaroa to complement the Resene wallpaper*, is a trip for guests, especially after a few wines.

Helen says, "I wanted to create a room that would provoke a reaction – good or bad – and I certainly achieved that."

More Resene colours to try:

**Wallpaper no longer available but try a style from the Transitions, Sanctuary, Carl Robinson or 1838 Murals Collection from Resene ColorShops.*

Get your entry in by October 4, 2021 and you could be our fourth finalist.
