NAME PLATES

Materials: Method:

Wooden name plate
Paint. We used: Resene Nero,
Resene Bubblegum, Resene
Hopscotch, Resene White,
Resene Chaos, Resene Super
Sonic, Resene Rubber Duck
Resene Aquaclear
Paintbrush
PVA Glue
Wooden letters
Wooden decorations
Stickers
Stencils

1. Select letters, decorations and colours you want.
2. Paint name plate and letters with two coats of colour. Paint should be touch-dry between coats. If stencilling or painting a picture onto name plate, do it once the second coat of paint is dry.
3. Glue on wooden letters and wooden decorations, and stick on any stickers.
4. Seal with Resene Aquaclear, a waterborne clear coating.

Tips:

- * You can use a hot glue gun instead of PVA glue, but make sure there's a grown-up there to help.
- * Plates can be either screwed onto a door or attached with double-sided tape.
