## clean where it needs to be >

Resene Kermadec 

Protect wet areas in your home with new Resene Lustacryl Kitchen & Bathroom. Resene Lustacryl Kitchen & Bathroom combines the durability and easy cleanability of semi-gloss waterborne enamel with added anti-bacterial silver protection and the mould protection of MoulDefender to minimise bacteria and mould growth. Anti-bacterial silver protection is internationally recognised as a safe and healthy method of deodorising and sanitising surfaces that come in contact with skin, food and water. Available from Resene ColorShops and resellers.

## help is at hand ^

At a loss with your interiors? Check out [www.nzinteriordesigner.co.nz](http://www.nzinteriordesigner.co.nz), a site which aims to help you find the ideal interior designer. Like so many things in Australasia, our local interior designers have a fresh approach that draws on our natural flair for pushing the creative boundaries while still catering for the pragmatic needs of our lifestyles. The site has a guide to how to select an interior designer, featured designers and how to find a designer in your area.

## ^ top protection

Resene's recently launched Resene Summit Roof waterborne low-sheen roof paint is proving very popular. To simplify colour selection, Resene has created the new Resene Summit Roof colour collection incorporating the most popular Resene roof colours and a selection of colours matched to popular COLORBOND® and COLORSTEEL® shades. The Resene Summit Roof range is also available with Resene Cool Colour technology, ideal for those wanting darker roofs without the usual heat build-up. The new chart is available from Resene ColorShops and resellers.

## new level of control

Resene Triple Tana 

The new Mitsubishi Electric MSZ-GE60/71/80 High Wall Heat Pump for the first time includes a seven-day programmable timer built into a remote control. Users can program up to four patterns a day including on/off and temperature controls. The seven-day timer means users can maximise comfort but minimise energy usage. The new models also have substantially improved energy performance. Visit [www.mitsubishielectric.co.nz](http://www.mitsubishielectric.co.nz).

## sleeping in style >

An elegant contemporary interpretation of a classically decadent piece of furniture, this new four-post bed from Rose & Heather is part of their recently launched and growing Christopher Elliott collection. Anchored on to the base, the headboard floats between the distinctly tapered legs. Shown here in a black walnut finish, other colours are also available. Visit [www.roseandheather.co.nz](http://www.roseandheather.co.nz).

Resene Loyal 

## ^ ribbons of style

The finishing touch to that renovation can be as simple as a couple of new cushions in a new fabric – Ribbons, from Warwick Fabrics. Produced in Italy, the fabric features three subtle yarn colours in a jacquard construction. Pictured, top to bottom, are Ribbons Alabaster, Fusion Ore, Ribbons Diesel and Sienna Honeycomb. Visit [www.warwick.co.nz](http://www.warwick.co.nz).

## ^ stepping up

The Step barstool is the latest design by David Moreland. With a base powder-coated in either white or black, the seat is available in either white lacquer or natural oak finish, with an upholstered version due out soon. The stool (above right) comes in two heights. Visit [www.davidmorelanddesign.co.nz](http://www.davidmorelanddesign.co.nz).

## black beauties ^

Dark and seductive, the Electrolux Ebony Kitchen Collection reflects emerging design trends of sleek sophistication. A striking contrast to conventional kitchen whiteware, the black glossy range is leading the way in style and innovation. Each piece in the collection showcases the latest in Electrolux technology with touch electronic controls and a sleek black finish complemented with stainless steel bar handles to meet all tastes. Visit [www.electrolux.co.nz](http://www.electrolux.co.nz).

Resene Streetwise 

## ^ writing's on the wall

Let your ideas loose all over your walls with Resene Write-on Wall Paint. The paint is designed to work with your existing décor by allowing the colour of your walls to show through the clear finish. Simply use whiteboard markers to write on the wall without damaging the surface and a soft cloth or whiteboard eraser to take off. Ideal for use in homes, offices and schools, at a fraction of the cost of normal large whiteboards. Use it in your kitchen to write your reminders, in your office for your to-do list, in your conference room to share ideas. Available from Resene ColorShops and resellers.

## sounding out v

Resene Afficionado 

Seeking an alternative to the amorphous plastic speakers that sit in many homes, Grier Govorko has designed the elegant Q-speakers. Using sustainably grown local timbers, the speakers are handcrafted to be treasured long term, rather than be thrown away in a year. As a production designer for the Red Hot Chili Peppers, Grier consulted the group's long-time sound engineer David Levine to come up with an even, full sound no matter where you sit in the room. See [www.qspeakers.com](http://www.qspeakers.com).

## ^ walls with wow

Add some wow factor by introducing a statement wall to the rooms in your home. The new Resene Walltrends wallpaper range offers a selection from the best collections to make choosing the right wallcoverings easier than ever before. The new collection joins the Resene Wallpaper Collection 2011 range of wallpapers, available exclusively from Resene ColorShops and resellers.

## virtual decorating

Recognised as one of the top virtual decorating programmes available by About.com, Resene EzyPaint is a great way to see what the finish will look like before the painting even starts. Either virtually paint the gallery images or path and paint your own image. With the addition of new EzyPaint partners you can check out Fisher & Paykel appliances, Laminex finishes, Fletcher Aluminium systems, Pacific Wallcoverings wallpaper, Rockcote textured finishes, GIB® coving options, Ven-lu-ree blinds, Dimond roofing and Tile Warehouse tiles. The ColorRite library lets you view complementary colour selections, search by palette, code or name, or just click on a colour you like the look of. Create and print your own palettes, download jpegs of your favourite Resene colours, decorate, save and export your images. Download your free copy from [www.resene.com/ezypaint](http://www.resene.com/ezypaint), borrow or buy a copy from your Resene ColorShop.

## softly shining >

Precious metal hues of silvers, golds, coppers and pewters have stood the test of time and continue to be popular decorating colour choices. The new Resene Metallics and special effects chart offers more choice as well as new hues using the new and more subtle Resene Fine Aluminium tone (pictured here is Resene Silver Streak). Resene Enamacryl Metallic Fine Aluminium uses a smaller metallic flake to give a metallic sheen, without the dazzle of coarser metallics. Colour chips are finished in the actual Resene Metallics and special effects finishes. The recommended basecoat for each colour is included in brackets next to the topcoat finish. The new chart is available from Resene ColorShops and resellers.

## ^ clever cladding

Take a traditional building material... but make it even better. SmartClad is traditional, radiata pine weatherboard, that is perfectly sealed before priming for better timber stability and superior weather-tightness. Using the SmartClad clipping system, the boards take half the time to install with no putty or nails needed, therefore no face damage. The system also comes with a range of Smart pre-scribed components, window facings and scribes plus interlocking two-piece box corners for easier and quicker installation. SmartClad can be used to re-cladding existing homes or on new houses. For more information call 0800 768 253; visit [smartclad.co.nz](http://smartclad.co.nz) or see the display at the Auckland Home Ideas Centre.

## ^ art or lighting?
