

Swap a can of food for a FREE Resene testpot

By adding a little more colour to your life you can also help those in need.

When you bring in a can of food we'll give you a FREE Resene testpot 60-80ml (worth up to \$5.80). All cans of food will be donated to local Salvation Army and community foodbanks to give to Kiwi families in need.

So start gathering up those cans and bring them into your local Resene owned ColorShop.

We accept all cans of food in good condition and suitable for humans to eat. If you prefer to bring in canned pet food, we can accept that also and will donate it to the SPCA and local community animal shelters. Limit 7 free testpots 60-80ml per household. The Hunger for Colour programme runs 1-29 February 2020 or while testpot stocks last. Maximum of 1 testpot per Resene colour. Food can must be at least 200ml/gm of food or more. If you have extra unwanted canned food you'd like to donate, we'd be delighted to accept it and will pass it onto The Salvation Army foodbanks and other community foodbanks on your behalf.
