

Dear Kainga Ora Contractor,

We look forward to working alongside you to deliver the Kainga Ora paint requirements.

Firstly, we need to get a Resene Trading Account open for you to purchase your paint. For this to happen Resene requires a completed RESENE APPLICATION FOR CREDIT ACCOUNT and signed Terms of Trade.

The process below outlines what needs to take place to get this to happen.

The process is as follows:

- ✓ Please open the attached Resene Trade Form Document, consisting 2 pages.
  - The first page is the RESENE APPLICATION FOR CREDIT ACCOUNT
  - The second page is Resene's Terms of Trade.
- ✓ Complete all sections of the RESENE APPLICATION FOR CREDIT ACCOUNT relevant to your business organisation type and the section for All Applicants. All relevant sections must be signed and dated where requested.
- ✓ You have the option of completing the form electronically or print the form out and complete.
- ✓ Carefully read our Terms of Trade - then tick the Box to acknowledge you have read and understood the stated Terms. Please also sign and date as requested.
- ✓ When completed, please contact your local Resene Branch Manager by phone or by email (you will find them listed below). Let them know that you are a Kainga Ora contractor and wish to get a Trading Account set up for the Kainga Ora work.
- ✓ They will introduce themselves to you and discuss the application forms with you, to ensure the forms are completed correctly and to answer any questions you may have.
- ✓ Discuss with your Branch Manager the best way to get the completed forms to them.
  - return your completed forms by emailing them to your Branch Manager or (if necessary) by physically dropping them into a local Resene Colorshop.
- ✓ The Branch Manager will forward these applications to Resene's Head Office for standard credit assessment. This should take no longer than 10 working days.
- ✓ You will be notified of the account details and when the account will be open for transactions.

Should you have any queries or experience any delays, please contact your Branch Manager immediately.

We look forward to working with you.

Regards,
