Engineered Coating Systems

Resene Aquapoxy gloss base

**Ideal for:**
- garage floors
- wall and floor paint

Specifications:
- **Recommended dry film thickness (D.F.T):** 130 microns.
- **Theoretical coverage:** 10 square metres per litre.
- **Recommended pot life:** 3 hours at 21ºC, 6 hours at 10ºC.
- **Pot life:** Mix only amount that can be applied within stated pot life.

**Precautions:**
- This product comprises a Base and Hardener, which must be mixed separately before blending them together. Add the total content of the Base to the total content of the Hardener. Once uniformly mixed, allow to stand for the recommended induction time prior to re-mixing and use.
- Thinning requirements may vary according to application method, equipment and environment. 
- If thinning is required add recommended thinner after components have been blended, and before using the power mixer.
- Ensure correct final film thickness is applied to achieve desired dry film thickness. Allowance must be made for any thinner added.
- Use of incorrect thinner may have an adverse effect on application and performance.
- Drying is affected by low temperatures and high humidity.
- Ensure that the mixed product is used within the stated pot life. Once uniform, place in a well ventilated area indoors, away from foodstuffs, at an ambient temperature and away from heating equipment. Wear protective gloves and clothing, and obey safety precautions. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment.

**Contact:**
- Call a POISON CENTRE, doctor or physician if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses (if worn) and continue to rinse. Continue rinsing if irritation persists or get medical attention or advice. IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation or rash occurs get medical attention or advice. IF SWALLOWED: Do NOT induce vomiting. Rinse mouth. Do NOT attempt to remove any paint from the mouth. Call a POISON CENTRE, doctor or physician if you feel unwell.
