#### SAFETY PRECAUTIONS

Read label before use. Keep out of reach of children. Causes mild skin irritation.

#### PRECAUTIONS

DO NOT EAT, DRINK OR SMOKE WHEN USING THIS PRODUCT.

Store in original or correctly labelled container, tightly closed, in a well ventilated area indoors, away from foodstuffs, at an ambient temperature and avoid freezing conditions. Avoid release to the environment.

#### FIRST AID

IF SWALLOWED: Call a POISON CENTRE, doctor or first aider if you feel unwell.

IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation occurs get medical advice.

IF IN EYES: Rinse cautiously with water for several minutes. If eye irritation persists get medical advice or attention.

If exposed or concerned get medical advice or attention.

If medical attention is required: have product container or label at hand.

Further information can be obtained from

AUST: POISONS INFORMATION CENTRE 131 126 or call Resene 1800 738 383.

NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766) or call Resene 0800 737 363.

CONTAINS: 1-Octanesulfonic Acid Sodium Salt <50 gms/L, Alcohols C9-11 ethoxylated <50 gms/L, Eugenol <50 gms/L.

For use as a biodegradable cleaner.

For full technical instructions see Data Sheet D817.

Wear appropriate protective clothing. Absorb with sand or earth. Collect and seal in properly labelled drums. Do not allow to enter drains or to run off into waterways. Refer to local waste management authority.

**IN CASE OF FIRE:** Use CO<sub>2</sub>, dry chemical for extinction.

Resene Bio-Cleaner powerful high efficiency biodegradable cleaner is a quick and easy way to clean surfaces ready for painting or use annually to give homes and buildings a fresh look by washing away dirt and contaminants that may be present. Formulated with eugenol, the active ingredient in clove oil, which helps to inhibit mould and fungal regrowth.

#### Preparation

• This product may be used to clean a wide variety of surfaces. If the surface you propose to clean is not referred to, try a small test area first or contact your local Resene ColorShop or reseller for advice.

#### Application

• Mix one part Resene Bio-Cleaner to three parts cold tap water.

• Wear adequate protection. Use overalls, gloves, eye protection and suitable footwear.

• Scrub vigorously using a nylon bristle broom or short, hard bristle scrubbing brush to remove all dirt, grease, mould and any loose flaking paint. Rinse with clean water.

• Use more concentrated mixes to clean more heavily soiled surfaces.

• Ensure product is well rinsed off glass and metal surfaces. Concentrated product left on these surfaces may etch or tarnish them.

#### CAUTION

• Do not add Resene Bio-Cleaner to paint.

• Mild steel and aluminium are attacked by Resene Bio-Cleaner and are unsuitable materials for either storage or application equipment.

• Do not allow the product to come into contact with plants, stormwater outlets, streams or animals. May kill aquatic life if allowed to enter the stormwater system. Divert all roof run-off to a sewer or alternative catchment system.

• All detergent and cleaning products have an effect on the environment. Always use the correct dose for maximum efficiency and minimum environmental impact.

#### Be PaintWise

For tips on responsible disposal of paint, cleaning equipment and minimising the impact of your decorating on the environment see the Resene website. Do not discharge any paint into the environment. Resene PaintWise (NZ) or paintback.com.au (Australia) accepts residual unwanted paint and packaging. Or contact your Local Authority for disposal information.

**Store in a dark place in bottle provided or in an opaque plastic container. Please ensure that use of this product is compatible with the substrate and surface preparation method. Resene does not accept any responsibility for the application of incorrect product to substrate. Resene products are designed to be used as a system for optimal results. Substitution may cause substandard results or system failure. For further painting advice and information, call 1800 738 383 (AUST), 0800 737 363 (NZ) or visit the Resene website.**

#### Quick check

**Use on:** All previously painted surfaces.

**Appearance:** Pale yellow.

**Mixing ratio:** One part Resene Bio-Cleaner to three parts cold tap water.

**Usage (diluted mix):** 10 square metres per litre per coat.
