Resene Colorwood Enhance

80 mL

(enough to colour 2 litres)

Use Resene Colorwood Enhance to add more depth to your timber stain colours.

- Shake well before addition to the base product.
- Add 40 mL (half this bottle) per litre. 1 capful - approx. 10 mL.
- Stir the tinted base with a wide flat stirrer to thoroughly incorporate the Resene Colorwood Enhance tinter.
- Back add to the original Resene Colorwood Enhance container, cap tightly and shake to incorporate any tinter not transferred in the first transfer. Add this to the bulk material and re-stir.
- Apply mixed product by brush only.

Do not mix Resene Colorwood Enhance with Resene Qristal ClearFloor 2K.

Open to read instructions.

Resene

the paint the professionals use

In Australia: Resene Paints (Aust) Limited
7 Production Ave, PO Box 924, Beenleigh, Qld 4207

Manufactured under a quality system certified as complying with ISO 9001 by Telarc SAI, an accredited certification body.

SAFETY PRECAUTIONS

Read label before use. Keep out of reach of children. This material is quite bland; with vapour, occasional skin contact and even minor ingestion having negligible hazard. Causes mild skin irritation.

PRECAUTIONS

DO NOT EAT, DRINK OR SMOKE WHILE USING.

Store in original or correctly labelled container, tightly closed, in a well ventilated area indoors, away from foodstuffs, at an ambient temperature and avoid freezing conditions. Dispose of empty container safely. Consult Resene checklist on environmentally acceptable methods of cleaning equipment and disposing of unwanted paint. Do not contaminate any water supply. Avoid release to the environment.

FIRST AID

IF SWALLOWED: Rinse mouth. Call a POISON CENTRE, doctor or physician if you feel unwell.

IF ON SKIN (or hair): Rinse skin with plenty of soap and water. If skin irritation or rash occurs get medical advice or attention.

IF IN EYES: Rinse cautiously with water for several minutes. Continue rinsing. If eye irritation persists get medical advice or attention.

If medical advice is required have product container or label at hand.
