Manufactured under a quality system certified as complying with ISO9001 by Teplan SAL, an accredited certification body. This product complies with all the requirements of the Building Act Specification. Refer to the APAS Specification list on the Resene website for full details. Paint on environmental responsible paper, which complies with the requirements of environmental management systems EMAS and ISO14001, using vegetable-based inks.

Use on: Exterior and interior cementitious surfaces and suitably primed timber, galvanised steel or Zincalume and wallboards.

Gloss level: Satin.

Coverage: 7 square metres per litre per coat.

Dry time (minimum): 3 hours. Do not apply at temperatures below 10°C or when temperatures are liable to drop below this during the drying period.

 Recoat time (minimum): 3 hours. Drying is slowed by low temperatures and high humidity.

Primer required: Yes, dependent upon surface.

Usual number of coats: One. Blockwork may require two.

Application method: Brush, synthetic fibre roller, speed brush or spray.

Thinning and clean up: Water. Thinning is not recommended.

Colour range: White and pastels.

Before use: Stir well with a wide flat stainer.

Enjoy the Resene Promise of quality on premium paints. See your Resene ColorShop or the Resene website for a copy.

In every case it is recommended that the appropriate use of this product is compatible with the substrate and surface preparation method and that the coating in this container is the same as selected. When using multiple packs of this product on the same project please mix them together before use. Resene does not accept any responsibility for the application of incorrect joint, substrate or the application of incorrect colours. For further painting advice and information, call 1800 738 383 (AUST), 0800 737 363 (NZ) or visit the Resene website.

FIRST AID

IF SWALLOWED: Rinse mouth. Call a POISON CENTRE or doctor/ physician if you feel unwell.

IF ON SKIN (or hair): Remove/take off immediately all contaminated clothing and wash before re-use. Wash skin with plenty of soap and water/shower. If skin irritation or rash occurs: get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists: get medical attention/advice.

When seeking medical advice take this container with you.

Further information can be obtained from:
AUST: POISONS INFORMATION CENTRE 131 126 or call Resene 1800 738 383.
NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766) or call Resene 0800 737 363.

For use as a decorative/protection coating. For full technical instructions see Data Sheet D301.

SPILLS:

Weep paper adequate protective clothing. Absorb with sand or earth. Collect and seal in properly labelled drums. Do not allow to enter drains or to run off into waterways. Refer to local waste management authority.

CLEANING PAINT EQUIPMENT: Brush/roll out as much paint as possible onto newspaper before washing brushes and rollers. Dispose of wash-up water onto grassy/unsealed area or into inside sink/basin, NOT into outside stormwater drain where it may harm fish in local waterways.
