2.5 litres

exterior

Resene Deep Clean is the simple, safe method of keeping all your outdoor areas free from moss, mould algae and lichen. Simply spray or brush on and leave Resene and nature to do the work. Slow acting Resene Deep Clean gets right down to the roots of the problem, destroying the growth and combining with nature to let the remains be weathered off leaving a Resene Deep Clean surface. Ideal for use on paths, patios, decks and other exterior cementitious, timber and painted surfaces.

SAFETY PRECAUTIONS

Read label before use. Keep out of reach of children. Causes severe skin burns and eye damage. Harmful if swallowed. Very toxic to aquatic life. Toxic to terrestrial vertebrates.

PRECAUTIONS

DO NOT BREATHE MISTS, VAPOURS OR SPRAYS. DO NOT EAT, DRINK OR SMOKE WHEN USING THIS PRODUCT.

Store in original or correctly labelled container, tightly closed, in a well-ventilated area indoors, away from foodstuffs, at an ambient temperature and avoid freezing conditions. Store locked up. Wear protective gloves and clothing, eye and face protection. Avoid release to the environment.

FIRST AID

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting. Call a POISON CENTRE, doctor or first aider if you feel unwell.

IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation or rash occurs get medical advice. Take off immediately all contaminated clothing. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing. Immediately call a POISON CENTRE, doctor or first aider. IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing.

If exposed or concerned get medical advice or attention. If medical attention is required have product container or label at hand.

Further information can be obtained from:
AUST: POISONS INFORMATION CENTRE 131 126 or call Resene 1800 738 383.
NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766) or call Resene 0800 737 363.

CONTAINS: Benzyl C12-14 Alkyldimethylammonium chloride 195-400 gms/L.
For use in cleaning exterior surfaces.
For full technical instructions see Data Sheet D815.

CAUTION

- Do not add Resene Deep Clean to paint.
- Do not allow the product to come into contact with plants, stormwater outlets, streams or animals. May kill aquatic life if allowed to enter the stormwater system. Divert all roof run-off to a sewer or alternative catchment system.

Application

- If you have sensitive skin, wear gloves during application to avoid contact with the skin. If skin contact does occur, wash the skin thoroughly with soap and water. Do not scrub skin.
- Avoid use on windy days and wet days as it will be difficult to control the spray and ensure that the surface is fully wetted with Resene Deep Clean.
- Attach your hose and turn on the water. Spray the diluted Resene Deep Clean solution onto the areas to be treated until the surface is saturated. Porous surfaces must be fully wetted to ensure the best result is achieved..
- When treating lichen, ensure surface is dry, spot spray lichen and leave for 15-30 minutes. Then apply Resene Deep Clean to the whole area.
- Leave the solution to soak in - do not rinse off.
- It may take up to one week to see any visible effect on lichen, mould and algae.
- Areas suffering from heavy growth may require further application.
- After use, clean the application tool thoroughly with clean water.
- For an immediate exterior clean, use Resene Paint Prep and Housewash (see Data Sheet D812).

DO NOT REFILL USING STANDARD RESENE DEEP CLEAN.

Be PaintWise

For tips on responsible disposal of paint, cleaning equipment and minimising the impact of your decorating on the environment see the Resene website. Do not discharge any paint into the environment. Resene PaintWise (NZ) or paintback.com.au (Australia) accepts residual unwanted paint and packaging. Or contact your Local Authority for disposal information.

Please ensure that use of this product is compatible with the substrate and surface preparation method. Resene does not accept any responsibility for the application of incorrect product to substrate. For further painting advice and information, call 1800 738 383 (AUST), 0800 737 363 (NZ) or visit the Resene website.
