Resene FX Nightlight glow in the dark

250ml

WARNING
KEEP OUT OF REACH OF CHILDREN

Resene FX Nightlight is a waterborne glow in the dark paint designed to shine after the lights have gone out. Ideal for safety signs, children's areas, step edges or anywhere a glow in the dark effect may be required. Glow in the dark by night, pale yellow by day.

Apply over a white basecoat, such as Resene Lumbersider, for optimum effect. Always apply 2-3 good coats of Resene FX Nightlight for the best result. Use Resene Clearcoat UVS for added exterior durability.

Clean up brushes, spills etc with clean water.
