Resene

Paint Prep and Housewash concentrate

exterior/interior
Resene Paint Prep and Housewash is a quick and easy way to clean surfaces ready for painting or use annually to give homes and buildings a fresh look by washing away dirt and contaminants that may be present.

Preparation
- This product may be used to clean a wide variety of surfaces. If the surface you propose to clean is not referred to, try a small test area first or contact your local Resene ColorShop or reseller for advice.
- Mix one part Resene Paint Prep and Housewash to three parts water.
- Wear adequate protection. Use overalls, gloves, eye protection and suitable footwear.
- Scrub vigorously using a nylon bristle broom or short, hard bristle scrubbing brush to remove all dirt, grease, mould and any loose flaking paint. Rinse with clean water.
- Ensure product is well rinsed off glass and metal surfaces. Concentrated product left on these surfaces may etch or tarnish them.
- Use more concentrated mixes to clean more heavily soiled surfaces.

Application
- Use on:
  - All previously painted surfaces.
- Appearance: Pale yellow.
- Mixing ratio: One part Resene Paint Prep and Housewash to three parts clean water.
- Usage (diluted mix): 10 square metres per litre per coat.
- No. of applications: Usually one.
- Application method:
  - Brush, knapsack, garden or conventional spray.
- No. of applications: Usually one.
- Application method:
  - Brush, knapsack, garden or conventional spray.
- Thinning and clean up:
  - Water.

Be PaintWise

- For full technical instructions see Data Sheet D812.

SAFETY PRECAUTIONS
- Read label before use.
- Keep out of reach of children.
- Causes mild skin irritation. Causes serious eye irritation. Harmful to aquatic life with long lasting effects.

PRECAUTIONS
- DO NOT EAT, DRINK OR SMOKE WHEN USING THIS PRODUCT.
- Store in original or correctly labelled container, tightly closed, in a well ventilated area indoors, away from foodstuffs, at an ambient temperature and avoid freezing conditions. Wear protective gloves and clothing, eye and face protection. Avoid release to the environment.

FIRST AID
- IF SWALLOWED: Rinse mouth. Call a POISON CENTRE, doctor or first aider if you feel unwell.
- IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation occurs get medical advice.
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing.
- IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing.
- IN CASE OF SKIN INFLAMMATION call a POISON CENTRE, doctor or first aider.
