Paint Prep and Housewash
concentrate
exterior/interior

net contents
1 litre
Resene Paint Prep and Housewash is a quick and easy way to clean surfaces ready for painting or use annually to give homes and buildings a fresh look by washing away dirt and contaminates that may be present.

**Preparation**
- This product may be used to clean a wide variety of surfaces. If the surface you propose to clean is not referred to, try a small test area first or contact your local Resene ColorShop or Reseller for advice.

**Application**
- Mix one part Resene Paint Prep and Housewash to three parts water.
- Wear adequate protection. Use overalls, gloves, eye protection and suitable footwear.
- Scrub vigorously using a nylon bristle broom or short, hard bristle scrubbing brush to remove all dirt, grease, mould and any loose flaking paint. Rinse with clean water.
- Use more concentrated mixes to clean more heavily soiled surfaces.
- Ensure product is well rinsed off glass and metal surfaces. Concentrated product left on these surfaces may etch or tarnish them.

**CAUTION**
- Do not add Resene Paint Prep and Housewash to paint.
- Mild steel and aluminium are attacked by Resene Paint Prep and Housewash and are unsuitable materials for either storage or application equipment.
- Do not allow the product to come into contact with plants, stormwater outlets, streams or animals. May kill aquatic life if allowed to enter the stormwater system. Divert all roof run-off to a sewer or alternative catchment system.

**Warning**
Read label before use. Keep out of reach of children. This material may be harmful if swallowed, inhaled or absorbed through the skin. Causes mild skin irritation. Causes eye irritation.

**Precautions**
Avoid breathing vapour. Use with adequate ventilation. Do not eat, drink or smoke while using.

**First Aid**
- If swallowed: Rinse mouth. Call a POISON CENTRE or doctor/physician if you feel unwell.
- If on skin (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical advice/attention.
- If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists: Get medical attention/advice.
- If inhaled: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms: Call a POISON CENTRE or doctor/physician.

**Quick Check**
Use on: All previously painted surfaces.
Appearance: Pale yellow.
Mixing ratio: One part Resene Paint Prep and Housewash to three parts clean water.
Usage (diluted mix): 10 square metres per litre per coat.
No. of applications: Usually one.
Application method: Brush, knapsack, garden or conventional spray.
Thinning and clean up: Water.
