SpaceCote Flat
interior/wall and ceiling exterior/waterborne enamel

Revere SpaceCote Flat is designed to bring elegant style touchboard to traditional walls, allowing you to enjoy a durable easy care finish without sacrificing durability. Very adaptable, it can also be used on interior wet areas. The tough finish is washable in you can clean them, such as wall, without damaging the paint keeping them beautiful longer. Also resists mildew, stains, efflorescence, scuff and bluish marks. Also assimilates with absorbing formulations.

Preparation
• All surfaces to be coated are to be sound in condition. Dry free from dust, dirt, loose material, all oil, grease and remaining primer or undercoat (or sealer). Surfaces other than concrete will need to be ready for painting after all previous treatment has been removed.
• If it is required, treat with Resene Wash & Mild (see Data Sheet D45).
• If the surface is highly absorbent, it is advised to pre-seal with Resene Sealcoat

When applying the XG Primer Spray
• When spraying in a closed space, ensure the Resene XG Primer Spray is properly vented.
• Follow all state and local regulations for indoor use of spray products. This product may be harmful if inhaled or ingested. Seek expert advice if the presence of these materials is suspected.

Application
• Trowel coats are to be applied in two layers: dry free from dust, dirt, loose material, all oil, grease and remaining primer or undercoat (or sealer). Surfaces other than concrete will need to be ready for painting after all previous treatment has been removed.
• A final application is recommended in critical lighting areas.

This product was to be applied to 115 litres of water and 2.65 litres of paint. This surface is not in the curing stage (see Data Sheet D45) and the paint surface is still relevant. It is recommended that the appropriate Data Sheet for the resin waterborne flat.

When a CoolColour variant of this product is being used, it must be used with a primer coat of Resene Quick Dry white (see Data Sheet D45) or Resene Galvo-Prime
