**SAFETY PRECAUTIONS**
Read label before use. Keep out of reach of children. Causes serious eye irritation.

**PRECAUTIONS**
DO NOT BREATHES FUMES, MISTS, SPRAYS, VAPOURS. USE WITH ADEQUATE VENTILATION. DO NOT EAT, DRINK OR SMOKE WHILE USING.
Store in original or correctly labelled containers, tightly closed, in a well ventilated area, away from foodstuffs, either between 15ºC-20ºC or at a cool, constant temperature. Wear protective gloves and clothing, eye and face protection. Use explosion-proof electrical, ventilating, lighting and mechanical safety equipment (i.e. only non-sparking tools). Graduate or bond container and retaining equipment. Take precautionary measures against static discharge. Dispose of empty container safely. Consult Resene checklist for environmentally acceptable methods for cleaning equipment and disposing of unwanted paint.

**FIRST AID**
IF SWALLOWED: Immediately call a POISON CENTRE, doctor, physician or first aider.
IF ON SKIN (or hair): Rinse skin with plenty of water. Remove immediately all contaminated clothing.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing. If eye irritation persists, get medical advice or attention.
IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms, call a POISON CENTRE or doctor/physician.
When seeking medical advice take this container with you. If exposed or concerned: Call a POISON CENTRE. Further information can be obtained from AUST: POISONS INFORMATION CENTRE 131 126 or call Resene 1800 738 383.
NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766) or call Resene 0800 737 363.

**SPILLS**
Eliminate all sources of ignition. Ventilate area, avoid breathing vapour. Use absorbent clean-up materials, such as the reagent treated sand or diatomaceous earth in dry form, and contain spill. Scrap up and remove. Collect and store in properly labelled drums. Refer to local waste management authority. Keep out of public sewers and drainage system.

**FIRE**
Blanket flames with dry chemical, carbon dioxide or foam. Use self-contained breathing apparatus. Keep out of reach of children. Do not place in direct sunlight. All resins and thickeners contain flammable solvents; storage of flammable goods may require certification/licensing by the appropriate agency. The storage of flammable goods may require certification/licensing by the appropriate agency.

**In every case it is recommended that the Safety Data Sheet is consulted prior to application of, or clean up after use of, Resene Engineered Coating Systems products.**
