**Resene Timber and Furniture Gel**

Resene Timber and Furniture Gel is a non-oil, easy to apply, water-based gel-stain. It is formulated for use on exterior and interior timber surfaces, including furniture, both inside and out. It is suitable for decoration, repair and protection, and is ideal for: 

- Repainting of existing penetrating stains: Removal of any penetration. 
- Repaints of existing decorated/protective finishes: To do so. Continue rinsing. If eye irritation persists get medical advice or attention. 
- On hardwoods: One coat is recommended; additional coats will form a low gloss film and may result in unsatisfactory failure. For further painting advice and information, call 1800 738 383 (AUST), 0800 737 363 in New Zealand.

**SAFETY PRECAUTIONS**

- **For use as a decorative/protective coating.** For full technical instructions see Data Sheet D505.
- **Ensure surfaces to be painted are dry, free from dust, dirt and loose material, clean and free from loose wood fibres.** If the presence of these materials is suspected, consult your Resene ColorShop or Reseller for advice.
- **Ensure surfaces to be painted are dry, free from dust, dirt and loose material, clean and free from loose wood fibres.** If the presence of these materials is suspected, consult your Resene ColorShop or Reseller for advice.

- **Consult your Resene ColorShop or Reseller for advice.**

**CLEANUP**

- Clean up with water when wet or mineral turps when dry but uncured.

**APPLICATION**

- **Application method:** Brush, lint-free cloth.
- **Usual number of coats:** Hardwood: one. Softwood: two.
- **Recoat time (minimum):** Generally less than 30 minutes. Drying is the timber.
- **Typical coverage:** 30-40m²/L (two coats). See the Resene website for a site coverage calculator.
- **Finish:** Timber surfaces. Use on exterior/interior timber and loose material, clean and free from loose wood fibres. If the presence of these materials is suspected, consult your Resene ColorShop or Reseller for advice.
- **Colour range:** CoolColour Jarrah Tree, Kwila, Sheer Black and Environmentally friendly paints. See your Resene ColorShop or Reseller for advice.

**PREPARATION**

- **For use as a decorative/protective coating.** For full technical instructions see Data Sheet D505 before coating.
