Resene Waterborne Woodman is a waterborne woodstain matching the normal distribution along wood to achieve the most natural appearance possible. 

Preparation
- Match color with Resene Timber and Deck Wash (see Data Sheet D80). Preparatory surfaces to be cleaned of all old paint, dirt and loose material, or oil (including mineral oil based wood finishes or similar) and salt.
- Remove accumulated windblown salt by washing with Resene Waterborne Woodsman (see Data Sheet D57a).
- If mould is present, treat with Resene Moss & Mould Killer (see Data Sheet D56).
- For repaints of existing penetrating stains remove any gross contamination.
- Any movement of weatherboards (board dimensional changes) will be exacerbated with darker colours. A CoolColour version will reflect more heat compared to standard colour.
- Please refer to local waste management authority.
- Do not discharge any paint into the environment. Resene PaintWise (NZ) or call Resene 0800 737 363.
- NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766).
- Further information can be obtained from the Resene website. Do not discharge any paint into the environment. Resene PaintWise (NZ) or call Resene 0800 737 363.

FIRST AID
IF SWALLOWED: Rinse mouth. IF ON SKIN (or hair): Wash with soap and water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses (if present) and continue to rinse. If irritation persists get medical attention or advice.

For use as a decorative/protective coating.

CONTAINS: 3-Iodo-2-Propynyl Butyl Carbamate 1-5 gms/L, Diuron or call Resene 0800 737 363.

NZ: NATIONAL POISONS CENTRE 0800 POISON (764 766)

For tips on responsible disposal of paint, cleaning equipment and packaging. Or contact your Local Authority for disposal advice and information, call 1800 738 383 (AUST), 0800 737 363 (NZ) or email advice@resene.co.nz or visit www.resene.co.nz

In every case it is recommended that the appropriate Data Sheet and Safety Data Sheet are consulted prior to application.

In New Zealand:

Resene Paints Limited
7 Production Ave, PO Box 924, Beenleigh, Qld 4207
Phone 1800 738 383    Fax 1800 064 960

Resene Paints Limited
In Australia:

Resene Paints Pty Ltd (united)
7 Prudential Ave, PO Box 1242, Welcome Point, NSW 2507
Phone 1800 738 383    Fax 1800 984 560
Email advice@resene.com.au or visit www.resene.com.au

Vogel Street, PO Box 7142, Parnell, Auckland 1051
Phone 09 357 9630    Fax 09 357 9634
Email advice@resene.co.nz or visit www.resene.co.nz

In the USA:

Resene Paints USA, Inc.
16000 De bombar Rd, Pacoima, CA 91331
Phone 818 998 7636    Fax 818 998 7638
Email advice@resene.com or visit www.resene.com

For new work apply the second coat preferably before one week. Wet areas of large surfaces will take longer than normal. If in doubt, use a lighter colour option to minimise heat build-up.

For use as a decorative/protective coating.

For use as a decorative/protective coating.

Quick check

Be PaintWise

When seeking medical advice take this container with you. Seek medical attention or advice if you feel unwell.

First aid for any paint into the environment. Resene PaintWise (NZ) or call Resene 0800 737 363.

If using this product tinted to a Resene CoolColour™, see Data Sheet D57a.

If you feel unwell. Wash irritation or rash occurs get medical attention or advice. Wash

Precautions
- Contains powerful fungicides.
- Avoid skin contact.
- Will not prevent checking of plywood.
- When alkaline cleaners (including Resene Moss & Mould Killer) are used in the preparation of the substrate, ensure that the presence of these materials is suspected.
- Health if inhaled or ingested. Seek expert advice if necessary.
- All sanding dusts may be harmful and appropriate protection must be worn. Avoid old lead or chromate based paints or old building

To prevent checking of plywood, apply Resene Waterborne Woodsman at recommended volume rates.

FIRST AID
IF SWALLOWED: Rinse mouth. IF ON SKIN (or hair): Wash with soap and water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses (if present) and continue to rinse. If irritation persists get medical attention or advice.

Seal the actual timber you are staining.
