RE:Paint

recycled paint

RE:Paint is made from recycled waterborne paint, collected in New Zealand through the **Resene PaintWise** recycling service. Resene PaintWise is the only paint recycling programme accredited by the Ministry for the Environment. By buying this product you are helping to support the recycling of paint and paint donations to charities and community groups in New Zealand. As this paint is recycled, colours will vary from batch to batch and may be different to the colour shown on pack. If painting one area, please ensure you use the same batch number or mix pails together for consistency.

SAFETY PRECAUTIONS: Read label before use. Keep out of reach of children. This material is quite bland; with vapour, occasional skin contact and even minor ingestion having negligible hazard. Repeated skin contact may, and any eye contact will, cause irritation. Harmful to aquatic life with long lasting effects.

PRECAUTIONS: USE WITH ADEQUATE VENTILATION. DO NOT EAT, DRINK OR SMOKE WHILE USING. Store in original or correctly labelled container, tightly closed, in a well-ventilated area indoors, away from foodstuffs, at an ambient temperature and avoid freezing conditions. Avoid release to the environment.

FIRST AID: IF SWALLOWED: Rinse mouth. Call a POISON CENTRE, doctor or first aider if you feel unwell.
IF ON SKIN (or hair): Rinse skin with plenty of soap and water. If skin irritation or rash occurs get medical advice or attention.
IF IN EYES: Rinse cautiously with water for several minutes. If eye irritation persists get medical advice or attention.
IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing.
If medical advice is required have product container or label at hand. Further information can be obtained from NZ:

NATIONAL POISONS CENTRE 0800 POISON (764 766) or call Resene 0800 737 363.

SPILLS: Wear appropriate protective clothing. Absorb with sand or earth. Collect and seal in properly labelled drums. Do not allow to enter drains or to run off into waterways. Refer to local waste management authority.
